

MEDLEY ANGLAIS

No Milk Today

Herman's Hermits

Voix 2:

No milk today, my love has gone away

// **Voix 1 :** No milk today

The bottle stands forlorn, a symbol of the dawn

No milk today, it seems a common sight

// **Voix 1 :** No milk today

But people passing by don't know the reason why

Voix 1 et Voix 2:

How could they know just what this message means

The end of my hopes, the end of all my dreams

How could they know the palace there had been

Behind the door where my love reigned as queen

Voix 2:

No milk today, it wasn't always so

// **Voix 1 :** No milk today

The company was gay, we'd turn night into day

Voix 2:

But all that's left is a place dark and lonely

// **Voix 1 :** Ah , ah, ah _____

A terraced house in a mean street back of town

Becomes a shrine when I think of you only

Voix 1 et Voix 2:

Just two up two down

No milk today, it wasn't always so

// **Voix 1 :** No milk today

The company was gay, we'd turn night into day

California Dreamin'

Mamas and the Papas

Refrain:

Voix 1 et voix 2 en décalé:

All the leaves are brown

And the sky is grey

I've been for a walk

On a winter's day

I'd be safe and warm

If I was in L.A.

California dreamin'

Voix 1 et voix 2 ensemble:

On such a winter's day

Soliste :

Stopped into a church

I passed along the way

Well, I got down on my knees

// **Voix 1 :** Set down on my knees

And I pretend to pray

// **Voix 1:** I pretend to pray

You know the preacher likes the cold

// **Voix 1:** Preacher likes the cold

He knows I'm gonna stay

// **Voix 1:** Knows I'm gonna stay

Voix 1 et voix 2 en décalé:

California dreamin'

Voix 1 et voix 2 ensemble:

On such a winter's day

Refrain

Voix 1 : California dreamin'

Voix 2 : On such a winter's day

Voix 1 : California dreaming

Voix 1 et voix 2 ensemble:

On such a winter's day.
